

Our 2021 Quick Reads.

Struggling with reading? Fancy something short and snappy? These bestselling authors have written the perfect books for you. Whether you're a fan of crime or funny biographies there will be something to try in this list!

The Motive
Khurrum Rahman

Violence, mystery and revenge. This is the prequel to the Jay Qasim series.

How To Be A Woman
Caitlin Moran

The abridged version of the bestselling text. This is a hoot of a book, as well as being a sharp feminist manifesto.

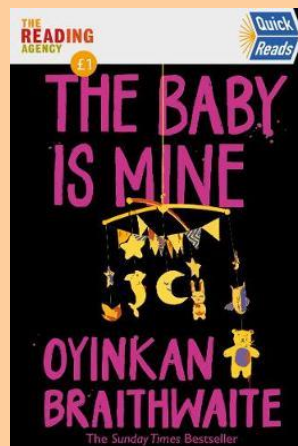

Saving The Day
Katie Fforde

An uplifting romantic novel that promotes taking charge of your own happiness.

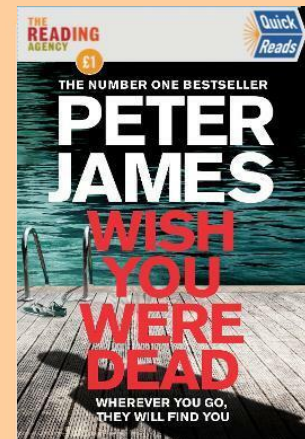

The Skylight
Louise Candlish

Murder plots, betrayal and revenge. This is a tale of how far jealousy can push someone.

The Baby Is Mine
Oyinkan Braithwaite

Two women claim to be the mother of a baby. Who is lying and who is telling the truth?

Wish You Were Dead
Peter James

Roy Grace goes on vacation with his family in France, but unlucky for Roy- criminals don't take vacations.
